

Dear [Manager's Name],

I would like to request your approval to attend the **Nordic Model-Based Enterprise (MBE) Forum** in Malmö on **11–12 September 2025**.

The Forum focuses on **Model-Based Definition (MBD), tolerance analysis, quality control, collaboration, and digital product development**, which are highly relevant to our work. Attending would provide me with:

- Insights into the latest **standards, tools, and methods** for implementing MBD/MBE.
- Practical case studies showing how leading companies have **reduced time and cost** in product development.
- Knowledge on improving **tolerance analysis, automated quality control, and supplier collaboration**.
- Opportunities to **network with industry experts** and build **useful contacts** for future collaboration.
- Best practices for enabling a **digital thread** and structured data reuse across the enterprise.

The conference will feature presentations from leading organizations such as: **Schneider Electric, GE Appliances, Vestas, Hitachi Energy, Capvidia, Hexagon, Action Engineering, ANARK**

I am confident that this knowledge and the contacts made at the Forum can directly support [insert relevant project or initiative at your company]. Please let me know if you would like more details about the agenda or costs.
