

Become a Sponsor at Nordic Model Based Enterprise Forum!

7-8 October 2026

Join us for a unique opportunity to connect with 150+ top professionals and decision-makers in the field of Model-Based Enterprise (MBE). This forum will feature presentations from leading companies sharing their journeys in implementing Model-Based Definition (MBD), giving you the ideal place to show your solutions.

Why Sponsor?

- **Direct Access to Industry Leaders:** Promote your product and brand to Scandinavia's most influential manufacturing companies and key decision-makers.
- **Shape the Future of Manufacturing:** Be part of shaping the future of digital engineering, as your brand is seen by professionals looking to transform their manufacturing processes.
- **Unrivaled Networking:** Build powerful relationships with industry experts, companies, and innovators who are actively seeking to enhance product quality and efficiency through MBD.

Sponsorship Packages:

Booth + Presentation – 5,000 Euro

- Booth plus the exclusive opportunity to present to the audience, highlighting your brand's vision and offerings. 2 people, lunch and dinner package.

Booth Only – 3,500 Euro

- Booth, 2 people, lunch and dinner package.

These packages offer unparalleled opportunities to connect with attendees and boost your brand's visibility. Select the option that aligns with your goals and become a valued part of our event!

Take advantage of this opportunity to position your business as a leader in engineering and manufacturing solutions.
